LOG IN

» [Request new password](#)

- 1) Login at <http://sls.gvbores.org/media> using your email address for your username and your last name as the default password.
- 2) To change your password after logging in, click on the “My account” link in the left sidebar. Click on the “EDIT” tab on the top, enter your password (and then again to confirm it) and click “Save” when finished.

SEARCH

SEARCH

Advanced search by level

- 3) To find resources, enter search terms in the search box in the left sidebar. It helps to enter basic terms like “math” or “egypt” though you can also specify formats such as “genetics dvd.” Under advanced search, you can limit results by grade level.

Genetics: Mendel's Law **Available now!**

"The basis for modern day genetics was discovered in a 19th century Austrian monastery garden containing peas, and tended by a keenly observant monk named Gregor Mendel, who had training in mathematics and

Year: 2004, Length: 15 minutes, Grades: High, ID: D00545

Genetics | [Mendel's law](#) | [Download](#) | [Streaming](#)

- 4) When you find a resource you want, check to see if it is “Available now!” If so, it will be able to be booked for immediate shipment (delivery in about 2 days). Some videos are also available for streaming or direct download.

Get the DVD

Date Needed: **SCHEDULE**

SU	MO	TU	WE	TH	FR	SA
			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30		

- 5) To receive a DVD, schedule a shipment by clicking in the “Date Needed:” box and selecting your desired view date from the calendar. Note that you cannot select grayed out dates due to shipping time or holidays.
